Value-added tax will be calculated at checkout based on Client's country and account type. Client is responsible for payment of any applicable taxes associated with the Licensed Photo. This is a royalty-free license, which means Client pays a one-time License Fee and no further royalties have to be paid, unless Client wants to use the Licensed Photo for the benefit of another customer. In this case, Client needs to acquire a new license.

**1. Photo credits.** The use of the Licensed Photo shall be accompanied by a credit to the copyright owner of the Licensed Photo, by stating the respective ArtBrief username, and to ArtBrief in the following form: "ArtBrief username / ArtBrief" with an embedded link to ArtBrief.com.

When you download an image for a legal entity, you represent and warrant having all necessary power and full legal authority to enter into the License Agreement on behalf of such entity. If Client acquires a License on behalf of its customer (who thereby becomes the Licensee), Client hereby represents and warrants to be authorized to act on behalf of its customer and to have full power to enter into the License Agreement with ArtBrief. Client also represents and warrants being liable for any failure of Licensee to comply with these License Terms and to indemnify and hold harmless ArtBrief against any and all claims, damages, liabilities and expenses arising out of any unauthorized use of the Licensed Photo or any other breach of these License Terms by Client and/or Licensee.

No further representations or warranties are made by ArtBrief under this License Agreement, in particular regarding the merchantability of an image, fitness for a particular purpose, accuracy of information provided with the Licensed Photo (e.g. tags, captions, keywords, location data), or authenticity of documents.

Regarding images that are marked as "**Model/Property Release: No**" or "**Possible**", Client hereby acknowledges that no model and/or property releases are available for the respective image and that under certain jurisdictions it might be necessary to obtain such releases in order to use the image according to the License Terms, if the image depicts a person's likeness or third-party property. Client shall be solely responsible to obtain such releases and for failure to obtain any necessary release(s).

**1. Indemnification.** In the event of any third-party claims, ArtBrief agrees to indemnify and defend Client from all liability, direct damages, costs and expenses, including reasonable legal expenses, arising out of the breach of any of ArtBrief's representations and warranties hereunder, provided that the use of the Licensed Photo is not in breach of these License Terms, and the damages in question do not arise from any modifications to the Licensed Photo, or arising out of the context the Licensed Photo is used in.

notice to Client (via email to the last email address communicated to ArtBrief), if an image is subject to third party infringement, and Client shall be obliged to immediately cease using the Licensed Photo, delete or destroy any copies and ensure that Licensee does likewise. ArtBrief will provide Client with a replacement image free of charge, if available in ArtBrief's reasonable commercial judgment, or otherwise refund Client. Client shall at all times take all reasonable commercial efforts to minimize potential damages and expenses.

1. **Termination.** In case of a payment default or a breach of these License Terms, the License shall terminate automatically and all rights granted shall revert to ArtBrief without further notice. Upon termination, Client shall immediately cease using the Licensed Photo, delete or destroy any copies and ensure that Licensee does likewise.
